MY PURPOSE

1. Complement my equity income portfolio with exposure to large Canadian banks and life insurance companies
2. Generate enhanced income through a covered-call strategy

KEY HIGHLIGHTS

- Concentrated portfolio of the big six Canadian banks and four Canadian life insurance companies
- Active covered-call strategy on up to 25% of the portfolio to generate additional income and reduce risk
- Tax-efficient corporate class structure

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rate of return is the historical annual compounded total return including changes in share/unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
